Hudson Valley Wine & Spirits Competition

Under the auspices of The Hudson Valley Wine & Grape Association

Deadline: Monday, August 13, 2018

Dear Hudson Valley Winemaker, Cider Maker & Distiller,

We are proud to announce the **Thirteenth** Hudson Valley Wine & Spirits Competition will take place on Saturday, September 8th 2018 at the Hudson Valley Wine Festival, Dutchess County Fairgrounds in Rhinebeck, NY.

Every year I try to reach out to people in the industry that I feel would be great contacts for Hudson Valley wineries. Judges include liquor store employees, wine bloggers, and restaurateurs.

We stage this event to highlight the quality of our region's wines, ciders and spirits and the public's increasing interest in them. I not only donate my time for the competition but also to give seminars at the Wine Fest that highlight the winning wines, ciders and spirits of the competition.

The wine festival has really embraced the competition. In addition, all wine, cider and spirits producers that enter the competition will be listed, linked and Facebooked on the Hudson Valley Wine Fest site. The winners are announced during the festival multiple times during the two day event. If you are a vendor at the festival, you will be able to display your winning medals at the conclusion of the competition.

New this year the festival is partnering with SocialLadder to promote the festival through "brand ambassadors." As a part of the program is to award experiential awards that money can't buy. I am rewarding one person to be a "Guest Judge". **Their votes will not count**, however, their experience and how they share it socially will benefit the regions craft beverages.

Entering your wine, cider and/or spirits in the competition, it also receives the following exposure:

- Awards will be announced after the competition at the Hudson Valley Wine Festival.
- As winning wines, ciders & spirits are announced if winery is present at wine festival, a tent card will be placed at their booth announcing their medal and winning wine.
- The highest scoring wine, cider and spirit in each major category (White, Red, Fruit, Dessert, Sparkling, and Rosé) as well as the Cider and Spirits will be honored at yet to be determined event.
- A Winery of the Year will be awarded to the winery with the highest average scores.
 - Winery must enter at least 4 wines to be eligible
- All winners will be posted at <http://www.HVWGA.com>.
- A press release with the complete list of awards will be sent to local media and the wine press following the competition.

The Judging Process

- The judging is structured as a blind tasting
- Each entry receives a unique number which follows the wine through the judging
- We use the American Wine Society 20 point scale
- Each panel evaluates the wine by class on an individual basis. We don't judge by price categories. Judges confer to decide all awards; a consensus of panel members determines all medals. Each panel makes the final decision for its wines; results are never altered after the judges make their final decision.
- Judges award all medals through a process of deliberation, discussion, and voting. Agreement is reached through discussion.
- All judges evaluate wines deemed worthy of judging for sweepstakes awards.
- Our goal is not to award an unending string of medals, which could make the results of the competition suspect. We offer the expertise of qualified judges in a controlled setting that benefits the Hudson Valley wine industry.

Awards to be Presented:

- Winery of the Year - this award is given to the winery with the highest average score. Winery must enter 4 or more wines to be considered for this award

- Best Red Wine - The best red wine
